Moodle Platform developer for UNESCO during the 2020's lock down

I was assigned the task of customizing/designing the platform according to the graphic charter of UNESCO.

The aim was to provide a platform where teachers could offer thousands of free courses to students (who were then locked down during the COVID'19 pandemic).

The project was held in collaboration with Professor Alain Tchana, Dr Djob Mvondo and other engineers.

Co-Organizer of the day "La science : un métier de femmes"

ENS Lyon, Mars 2020

Sub-Reviewer at CRI'19 Conference

Main Reviewer : Alain Tchana
